

REMARKS

The Final Office Action mailed on June 8, 2005, has been reviewed and the comments of the Patent and Trademark Office have been considered. Prior to this paper, claims 1-11, 13-14, 16-18 and 24-34 were pending in the present application. By this paper, in order to advance prosecution, claims 1-11, 13-14, 16-18 and 24-27 are cancelled without prejudice or disclaimer. Therefore, claims 28-34 remain pending.

Applicants thank Examiner Keith for allowing claims 28-34.

Applicants respectfully submit that the rejections under 35 U.S.C. are now moot in view of the above cancellation of the pertinent claims.

Applicants hereby make minor amendments to some of the pending claims to utilize the more conventional *subscript* following the symbol for Oxygen. Applicants submit that the amendments to these claims do not change the scope of the claims. Therefore, entry and continued allowance of these claims is respectfully requested.

Applicants believe that the present application is now in condition for allowance. Favorable reconsideration of the application as amended is respectfully requested.

The Commissioner is hereby authorized to charge any additional fees which may be required regarding this application under 37 C.F.R. §§ 1.16-1.17, or credit any overpayment, to Deposit Account No. 19-0741. Should no proper payment be enclosed herewith, as by a check being in the wrong amount, unsigned, post-dated, otherwise improper or informal or even entirely missing, the Commissioner is authorized to charge the unpaid amount to Deposit Account No. 19-0741. If any extensions of time are needed for timely acceptance of papers submitted herewith, Applicant hereby petitions for such extension under 37 C.F.R. §1.136 and authorizes payment of any such extensions fees to Deposit Account No. 19-0741.

Examiner Keith is invited to contact the undersigned by telephone if it is felt that a telephone interview would advance the prosecution of the present application.

Respectfully submitted,

Date Sep 08, 2005
